Booking information

To confirm a booking, we request a 50% deposit of the total booking price payable by bank transfer within 14 days. The SHF crew is very keen to guarantee you a smooth check-out. We accomplish this by avoiding foreign credit card limits and declined transactions in advance. Please note that bank transfers can only be considered if they are received in our bank account at least 48h before check-out. We regret that we are unable to guarantee specific rooms or floors. Travel agencies and guests from outside Europe are requested to provide a 100% deposit of the total booking price at least 30 days prior to their arrival.

Payments and bank details

Payments may be made in cash (EUR, CHF), by bank transfer (for payment of deposits only), or by debit or credit card (Visa, MasterCard, Eurocard and Amex). Please note that payments by bank transfer can only be taken into account if we have received them before check-out and they have been booked to your room. Quick transfers on your departure day can not be considered.
